SHIKSHA PROGRAM

Quality Education for Every Child

Objective: To provide quality education in a safe and nurturing environment for children aged 3-6 years, using the play-way method to foster a love for learning and school readiness.

- Key Activities
- Early childhood development through the play-way method.
- Sessions focused on motor skill development, conceptual learning, and socio-emotional growth.
- Ensuring physical and mental well-being through health and safety initiatives, including a vaccination drive and pandemic safety measures.

A year with unique challenges

In 2021-22, the SHIKSHA program continued to lay a strong educational foundation for young learners despite challenges. By fostering school readiness and holistic development, the program helped children achieve significant milestones while actively engaging parents and the community in their progress.
