# SWAYAM PROGRAM

# Addressing Educational and Livelihood Challenges for Girls and Families

**Objective:** The SWAYAM program aims to prepare youth (aged 15-18) for self-reliance by equipping them with vocational skills, digital literacy, and academic support to ensure their educational continuity and future employability.

## Key Objectives:

### ✓ Bridging Learning Gaps in Core Subjects

- Conducting remedial batches for English, Math, and Science to address learning gaps caused by auto-promotion.

### ✓ Promoting Higher Education for Girls

- Providing financial and academic support to girls facing familial resistance to education.
- Offering counseling and mental health support to keep them motivated and engaged.

### ✓ Preventing Child Labour & Strengthening Family Livelihoods

- Supporting children at risk of dropping out due to financial hardships.
- Training parents under the Saksham Program in gardening, pet care, and senior citizen care to create alternative income sources.

### ✓ Empowering Youth through Digital Literacy & Leadership

- Training students as digital champions to enhance online learning accessibility within their communities.
- Conducting digital literacy workshops to improve technology access and education.

### ✓ Fostering Holistic Development & Well-being

- Organizing sports, yoga, meditation, and mental health sessions to promote emotional well-being.
- Encouraging leadership and teamwork through peer-led community initiatives.

Each initiative empowers individuals, enhances education, and builds sustainable livelihoods.

## Key Challenges Affecting Education:

- **Lack of support for girls' education limits higher study opportunities.**
- **Auto-promotion results in academic loss and lack of clarity in core subjects.**
- **Economic hardship drives children to work as laborers.**
- **Parental unemployment hinders children's educational continuity.**

## Overcoming Challenges:

- **Educational Sponsorship for Girls:** Supported 13 girls with financial aid and mentoring for higher studies.
- **Remedial and Special Batches:** Offered remedial classes in English, Math, and Science to address academic gaps.
- **Counseling and Mental Health Support:** Provided regular counseling to support children's emotional well-being and motivate education.
- **Preventing Child Labor through Family Empowerment:** Trained parents in skills like gardening and caregiving, enabling them to secure local jobs and keep children in education.

## Key Impact Highlights :
