# **SANSKAR PROGRAM**

# Sanskar Program

Sanskar Program is designed to provide quality education and build a strong learning foundation for children aged 6 to 14 years. The program focuses on interactive and skill-based learning to enhance concept clarity, team bonding, and academic excellence.

## Objective

- Ensuring school enrollment and retention to encourage completion of education.
- Strengthening core academics through remedial classes in English, math, and science.
- Promoting interactive learning with team-based activities for engagement.
- Supporting holistic growth with life skills training and a positive learning environment for emotional and social well-being.

## A year with unique challenges

- **Academic Gaps Due to Auto-Promotion:** Many students lacked concept clarity, making it difficult to cope with higher classes.
- **Retention Struggles:** 10% of children faced challenges in continuing their education due to family migration, financial constraints, or lack of parental support.
- **Parental Mindset:** Some parents prioritized work over education, leading to irregular attendance and low engagement in their child's learning journey.

## Impact Snapshot

**36** Parent Meeting Held In the Year

**371** Total Number Children part of Sanskar Program

**81** Students Enrolled in The School

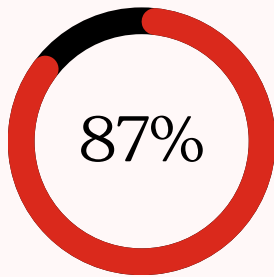

**222** New Enrolled in Program

# Key Impact & Achievements

## Quality Education Access:

- 371 children were part of the Sanskar Program this year.
- 222 new enrollments in 2021-22,
- Ensuring more children received structured education.

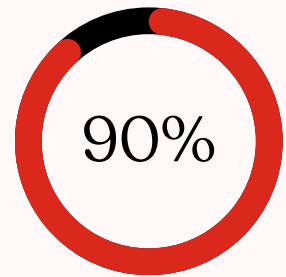

## Academic Strengthening Through Remedial Classes:

Average attendance in remedial classes, demonstrating strong student engagement.

School attendance rate, showing our success in keeping children in classrooms.

School retention rate, ensuring long-term educational continuity.

## Improved Learning Outcomes:

- Students gained conceptual clarity in key subjects through interactive learning modules.
- Skill-based team activities helped build confidence and problem-solving abilities.

## Parental Engagement for Sustained Learning:

- Conducted awareness sessions to educate parents on the importance of education.
- Encouraged family participation, leading to improved student performance.

The Sanskar Program has successfully bridged learning gaps, increased school retention, and empowered students with quality education. By integrating interactive and remedial learning, we have ensured that children not only attend school but thrive academically and socially. Through our continued efforts, we aim to build a strong foundation for every child's future!

# THANK YOU TO ALL OUR DONORS AND VOLUNTEERS

**We couldn't have done it without your generous support .**

We extend our deepest gratitude to our donors, volunteers, and community leaders for their unwavering support. Your contributions have made these milestones possible, creating brighter futures for children and families.
