SWAYAM PROGRAM

SWAYAM Program is designed to empower students aged 14-18 years by providing them with academic support, life skills, and vocational training to help them excel in their board examinations and develop a skilled mindset for future employment. In 2022-23, we focused on strengthening education, increasing school retention, and building career readiness despite various socio-economic challenges.

Key Objectives 2022-23 :

- **Academic Excellence & Board Exam Preparation**

Provide remedial support in core subjects (English, Math, Science) for students in Grades 8-12.
Ensure 100% school attendance and high SSC board passing rates through targeted interventions.

- **Preventing Dropouts & Increasing Retention**

Focus on retaining students in school by providing educational sponsorships and career guidance.
Conduct counseling sessions to address emotional, financial, and academic barriers.

- **Skill Development & Career Readiness**

Equip students with digital literacy, vocational training, and career exposure.
Encourage self-reliance and employment readiness for students post-Grade 12.

Key Challenges Faced

- School Retention Decline (85%)
- Some students dropped out due to family financial pressures or migrated for work.
- Girls faced resistance from families regarding higher education.
- Academic Struggles & Learning Gaps
- Many students lacked conceptual clarity due to previous years of auto-promotion.
- Some struggled with board exam readiness, requiring intensive remedial support.
- Limited Career Awareness
- Many students lacked exposure to career options, skill-building programs, and higher education opportunities.

Impact & Achievements in 2022-23

Turning Dreams into Reality – Rohan, Rahul, and Yogesh's Journey

In many underprivileged communities, education beyond school remains a distant dream for countless youth. Rohan, Rahul, and Yogesh, three determined young boys, faced similar challenges. Coming from families struggling with financial instability, their aspirations of pursuing technical education seemed impossible. However, their journey took a remarkable turn when Sparsha Charitable Trust stepped in to support them.

- **The Struggle**

Rohan, Rahul, and Yogesh had always been fascinated by electronics and technology. Their dream was to pursue a career in the electronics industry, but with limited financial resources, their families could not afford to enroll them in a vocational training program. The fear of having to take up daily-wage labor jobs loomed over them, putting their aspirations at risk.

- **Sparsha's Intervention**

Recognizing their potential, Sparsha Charitable Trust provided them with financial sponsorships to enroll in Don Bosco ITI College, a prestigious institute for vocational education. Through continuous guidance, career counseling, and emotional support, they gained the confidence to embark on their journey toward a skilled profession.

- **A New Beginning**

With Sparsha's support, the three students successfully enrolled in the ITI Electronics program and began their training. They are now gaining hands-on experience in circuit designing, troubleshooting, and repairing electronic devices. Their performance in college has been outstanding, and they are excited about the new career opportunities ahead.

- **Impact & Future Aspirations**

Rohan dreams of becoming an electronics technician and working for a leading tech company.

Rahul aims to specialize in embedded systems and design innovative electronic solutions.

Yogesh is passionate about robotics and automation, hoping to create advanced technological products.

Thanks to Sparsha Charitable Trust and their sponsors, these young boys are now on their way to fulfilling their dreams. Their story is a testament to the power of education, timely intervention, and community support in transforming lives.
