IMPACT REPORT 2023-2024

SHIKSHA PROGRAM

A Year of Growth & Achievement

The year 2022-23 marked a milestone for the SHIKSHA program, with children actively engaging in learning while also preparing for formal education. Teachers and animators played a crucial role in supporting parents during the school admission process, ensuring smooth transitions for 28 young learners.

Children thrived in an environment of innovative activities, building not only academic readiness but also essential life skills through role play, group interactions, and creative exercises. Events like sports day and field trips provided joy and learning outside the classroom, while parent-child activities strengthened family bonds and reinforced positive parenting.

Objectives of the Shiksha Program

- To provide early childhood education for children aged 3-6 years through the play-way method
- Fostering a love for learning, preparing children for formal schooling
- Ensuring holistic development.

Key and Objective

- **Facilitating Admissions:**

28 children successfully enrolled into formal schools with active support from teachers and animators for admission procedures and document preparation.

- **Play-Based Learning:**

Innovative classroom activities, including role play, group tasks, and parent-child bonding activities, nurtured creativity and social skills.

- **Exposure and Events:**

Students participated in field trips, sports day celebrations, and cultural events, enhancing experiential learning.

- **Health and Nutrition:**

Regular health checkups and nutrition support ensured the physical well-being of children.
