MONTH - JULY 2026

July was a month filled with learning, awareness, and meaningful activities across Sparsha's programs. Students from Shiksha, Sanskar, and Swayam participated in creative learning sessions, skill-building activities, and celebrations including Doctor's Day, Guru Purnima, and Van Mahotsav. The month also witnessed academic support initiatives such as new school enrollments, NIOS admission, science museum visits, nutrition support, teacher and parent meetings, and various awareness sessions on safety and government schemes. Through the Unko Swatantrata Kab Campaign, Sparsha also engaged communities and corporates in spreading awareness about India's social challenges and Sparsha's ongoing efforts towards education and community development.

JULY - 2026 HIGHLIGHTS

TEACHERS' CAPACITY-BUILDING TRAINING

Teachers from Trinity International School conducted a capacity-building workshop on AI tools for educators. The session introduced practical AI applications to enhance teaching, lesson planning, and classroom engagement. Teachers gained valuable skills to make learning more innovative and effective.

DOCTORS DAY CELEBRATION

Students from Shiksha, Sanskar, and Swayam celebrated Doctor's Day by learning about the importance of a First Aid Box and basic first-aid practices. They also performed an engaging skit showcasing the role of doctors and how they care for patients. The activity helped children understand the value of healthcare professionals and inspired them to adopt healthy habits.

GURUPURNIMA DIVAS CELEBRATION

Students from Shiksha, Sanskar, and Swayam celebrated Guru Purnima through an interactive session conducted by their teachers, highlighting the importance of gurus in shaping students' lives. As part of the celebration, the children created greeting cards to express their gratitude and appreciation for their teachers. The activity encouraged respect, thankfulness, and the values of learning and guidance.

VAN MAHAUTSAV

Sparsha students from every program in every centre celebrated Van Mahotsav by creating beautiful artwork using tree leaves. The activity encouraged creativity while spreading awareness about the importance of trees and protecting the environment.

PROGRAM HIGHLIGHTS

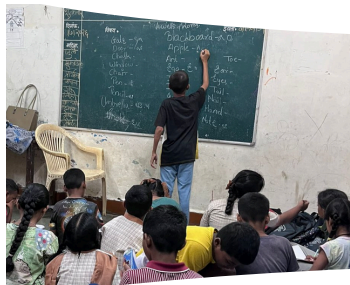

SHIKSHA PROGRAM

Throughout July, children in the Shiksha Program participated in engaging activities such as Hindi Swar lessons, shape recognition, fish drawing, and other creative exercises. These sessions enhanced their language, creativity, and foundational learning skills in a fun and interactive way.

SANSKAR PROGRAM

Throughout July, students in the Sanskar Program strengthened their English grammar through lessons on nouns, pronouns, vowels, and other language concepts. They also learned about Kargil Vijay Diwas through an educational video and participated in group study sessions, where they collaborated and taught one another, building confidence and teamwork.

SWAYAM PROGRAM

Throughout July, students in the Swayam Program participated in daily current affairs sessions, keeping them informed about important events in India and around the world. They also enhanced their knowledge of India's states, chief ministers, and key national facts while strengthening their skills in English grammar, basic mathematics, and science through interactive classroom learning.

THIS MONTH AT A GLANCE

17

Sparsha provided educational sponsorships to students pursuing ITI, higher education, and other academic courses.

31

dropout children enrolled in formal schools.

150

students from Siwari Wadala BMC School received notebooks to support their learning for the new academic year.
