MONTH - AUGUST 2026

August at Sparsha was a month of celebration, learning, awareness and meaningful community engagement. Across our centres, children participated in Independence Day, Youth Day, Friendship Day and Raksha Bandhan celebrations, along with fun and interactive learning activities. Health and hygiene awareness sessions helped children understand the importance of healthy habits, while parent meetings, teacher reviews and staff training strengthened our programmes. The month also saw valuable engagement with schools, corporate partners and fellow NGOs, creating new opportunities for collaboration and community impact.

AUGUST - 2026 HIGHLIGHTS

PATRIOTISM MEETS PURPOSE

This Independence Day, Sparsha brought together employees from **S.B. Constantia, Kenvue and Fourth Signal** for an engaging celebration focused on India, community and social impact. **Through quizzes, state-based games, flag colouring, digital activities and a photo booth**, employees discovered more about Sparsha's work with children and communities while celebrating the spirit of Independence.

More than a celebration, the campaign created an opportunity for employees to **learn** about Sparsha's work, **engage** through interactive activities, **connect** with our mission and **share the message of social impact**.

CELEBRATING THE SPIRIT OF FREEDOM

Independence Day gave children an opportunity to express their love for the country through dance, street plays, flag hoisting and patriotic activities. Beyond celebration, children explored the values of freedom, unity and responsibility.

AUGUST - 2026 HIGHLIGHTS

CELEBRATING THE BOND OF FRIENDSHIP

Through Friendship Day activities, children explored what it means to trust, care, support and stand by one another.

CELEBRATING YOUTH DAY

Interactive sessions encouraged children to recognise their strengths, responsibilities and potential and think about how they can contribute to a better society.

THE BOND OF RAKHI

Raksha Bandhan became a celebration of love, care, respect and togetherness, reminding children about the importance of meaningful relationships.

AUGUST - 2026 HIGHLIGHTS

HEALTHY CHILDREN. HEALTHY HABITS.

A team from Yakult conducted an engaging health and hygiene awareness session for 500+ Sparsha students. Through interactive learning, children explored personal hygiene, healthy habits, and practical ways to maintain good health. Health education is not just about knowing – it is about building habits for life.

HEALTHCARE

A General Health Camp reached 200 women, providing essential healthcare support and creating awareness about the importance of regular health check-ups, timely care and informed health choices. The camp encouraged women to prioritise their health and seek timely support when needed.

PROGRAM HIGHLIGHTS

SHIKSHA PROGRAM

Building Strong Foundations

Through engaging activities such as **Hindi Swar, shapes, colouring, poems, and practical learning, children** strengthened their foundational skills in a joyful environment. Activities like learning to zip their dresses also built independence, confidence and essential everyday life skills.

SANSKAR PROGRAM

Exploring, Learning and Growing

Students explored diverse learning topics, including **community helpers, Indian states & capitals, number patterns, percentages, grammar, and sentence formation**. These interactive sessions strengthened their **academic understanding, general awareness, and communication skills**, while helping them connect classroom learning with the world around them.

SWAYAM PROGRAM

Thinking Beyond the Classroom

This month, students explored the **7 continents and 5 oceans**, building awareness of the world and its key features. They also learned different types of angles in **mathematics, strengthening their understanding of mathematical concepts**. These activities enhanced curiosity, **logical thinking and analytical skills**, helping students connect classroom learning with the world around them.
